15<sup>th</sup> January 2018

## Message from the Leadership Team

The weather forecast is predicting that we may experience snow in the next few weeks and that this may be heavy. When we experience snow we try to keep the school open but sometimes this is not possible due to health and safety considerations. If it is necessary to close school then messages will be displayed on Bradford Schools Online, our school website, the school Facebook and Twitter feeds. A text will also be sent to parents.

| <b>Whole school</b> | The Wilsden School Association is a group of parents who work with school to host fundraising events throughout the year. However the number of parents attending meetings has reduced dramatically. <b>If the WSA is to continue fundraising for all of our children, we need more parents to attend meetings and help to organise and run events.</b> Please see the WSA Facebook page for a poll of when would be the most convenient time to hold our regular meetings.<br>Over the last 2 years the WSA have paid for the hall sound system, the new stage, playground markings, outdoor notice boards, bike and scooter racks, blackout blinds for the hall and books for all classes, totalling nearly £15,000.00. In 2018 we are fundraising for classroom blinds, KS2 and reception playground markings and a net to cover the ball court. The WSA have also agreed to donate £500 for each of the 3 curriculum days throughout the year. |
