Headteacher: Mr John Davison

8th October 2018

To whom it may concern

One of the biggest aims for school this year is to become more involved with the community we serve. We would like to make connections with local businesses, community groups and residents within our community.

To begin to build connections we would like to invite you and your organisation to join us.

Last year, we held an event in school to mark Remembrance Day. We will be doing the same again this year, marking the day on the 9th November to educate children, raise awareness of Remembrance and raise money for the Royal British Legion.

To mark the day this time, as well as having a range of military vehicles, activities going on and costume within school, we are planning on marching the whole school up to the War Memorial. The council have kindly agreed to close the road for a short time to allow us to parade up the road safely and to hold a short service at the War Memorial. We aim to arrive at the War Memorial by 11am.

I am not writing to ask for money or products, I am writing to invite you to join us. We think it would be amazing if the whole village could join in and it could become a regular part of the village calendar. You could join in in a number of ways: dress up in costume, join us at the War Memorial but we'd particularly love it if you could dress your windows to reflect the theme of Remembrance.

If you would like any more information, or to let us know you are joining us in any way, please get in touch.

Yours faithfully,

Andrew Chadwick
Deputy Headteacher
